On the other hand other people may be slow to respond at the moment. You may feel tense, clear about your vision but unable to put it into immediate action. Despite a little tension, this is an auspicious time for love and affection. You simply need to be patient. Focus on what can be achieved rather than on what cannot. Now is a good time to prepare the ground for future harvests. Take note of the positive people in your life, or join new groups so that you can make new friends. Assess your financial needs and plan a budget. Ultimately this can be a positive time during which you lay the groundwork for the future.

Venus Sesquisquare Mars

From 12 Jan 26 08:44

Love and money may be the source of tension during this period. Either you or your partner may be dissatisfied with the way that you are handling romance (or finances). On the other hand you may desire to move forward and experience more romance, or spend some of your income, but the moment is not quite right. You would be better showing patience with loved ones and being restrained in your spending habits. If someone is demanding that you loosen the pursestrings then rather than saying an outright "no" try soothing the situation with a financial plan.

During this short Moon and Jupiter transit show some restraint even though you may be tempted to go too far. Grandiosity is not appealing. Neither is excess. With a little self-control you can reap the rewards of this influence rather than suffer the consequences.

Jupiter Semisquare Pluto

From 06 Jan 26 03:34

Exact 12 Jan 26 18:29

This is a time during which you need to reassess your usual methods of handling situations and people. You may be keen to achieve your own goals, but obstacles are currently blocking your path. This could be because you need to change the way in which you approach matters. Alternatively you may have to handle other people differently. Tensions could arise if you push to achieve your goals. It seems as though others and external events are deliberately plotting to thwart your plans. However, it may be that you are going overboard in your attempts to get your own way. Now is the time to muster as much restraint as is possible. This may also be a good time to take a step back and lay further groundwork for new projects. Perhaps you are missing a vital piece of the puzzle and this is your chance to avoid any future problems. Trust in the process.

Jupiter Quincunx Chiron

From 10 Jan 26 19:23

This is a time during which you are forced to let go, even if only temporarily, of your most desired goals. This can be quite painful as you may have a sense of failure, and in particular may remember times in the past when you have failed. It is important to remember that the most successful people in the world have to let go to change paths in order to achieve their aspirations.

Saturn Quincunx The Sun

From 14 Dec 25

Exact 27 Dec 25 14:38

You may even feel a little down, unappreciated and that your achievements count for little. The time has come for you to reflect, realistically and not pessimistically, on the truth. Is this just a temporary period of frustration or do you need to mark some more serious decisions so that you can fully express yourself. Right now steady accomplishment is the way to go. The trick is to let go of anything that has outlived its value and wait to see what emerges.

Saturn Semisquare The Moon

From 14 Dec 25

Exact 31 Dec 25 07:12

Patience is a virtue right now. Fortunately the Moon moves relatively quickly past this astrological influence and so perseverance pays off. You need to remain calm and refuse to allow negative feelings to take hold. Otherwise you might succumb to feelings of frustration and sadness. Tears can be healing but self pity is to be avoided. All good things come to those who wait and you can be assured that positive timed are around the corner.

Uranus in the 12th House

From 14 Dec 25

Uranus is a planet that is full of surprises. It takes approximately 84 years to do a full circle around the Zodiac. This means that it moves slowly through each Zodiac Sign and its effects on your Birth Chart takes time to unfold. It is important to note that this erratic planet can affect your life in a variety of ways depending on how you cope with change. If you try to resist change then you may find this planet's effects somewhat of a challenge. If you welcome liberation then you are in for a joyride. The planet Uranus helps you break free from past chains and restrictions and form new and more joyful ways of interacting in your life. Your life may be disrupted but you are then free from thinking inside the box, and new horizons open up. The area of your Birth Chart influenced by this liberating force is likely to be awakened and stimulated. This is a profound period in your life, although at times you may feel the need to retreat. On the positive side you experience intuitive flashes, initiate or join an unusual institution and expand your philanthropic interests. It is also possible that you probe the human psyche in an unusual fashion.

Uranus Square Chiron

From 14 Dec 25

It is time to shake out the cobwebs which may have gathered in your life, to break out of old habits which may be masking your true nature. It is easy to fall into predictable behaviour patterns, which are a comfort. However, during this time you are compelled to explore new territories. This will be a challenge to you and to those around you who have become accustomed to your predictable behaviour. As a result you may meet others head on, testing both your own and their limits. You may also have to face ghosts from the past, events that have haunted you and prevented you from moving forward. It is time to heal the past and recharge your batteries for a brighter future. If you refuse this challenge then deep within yourself you will experience the pain of having failed your inner self.

Uranus Sesquisquare Neptune

From 14 Dec 25

During this time you could fall prey to deception, either your own self-delusion or someone else's veiled actions. This time can be tense as you are unsure about exactly what is going on. It is as if you are in a boat at sea and a fog has descended leaving you unsure of which way to head to shore. While this time can be beneficial because of the type of tension sometimes needed in a creative project, it is normally not a good time to be entering major business deals or making life-changing decisions. You would do better to rest, relax and avoid meeting difficult situations head-on.

Neptune in the 6th House

From 14 Dec 25

The planet Neptune takes approximately 164 years to circle the Zodiac. This slow-moving planet's transits unfold slowly. It is therefore more significant to look at any exact transits that are occurring in your Birth Chart. Nevertheless it can be helpful to try to understand the effect of Neptune as it enters into and transits through a House in your Birth Chart. Neptune is the planet that urges us to search for meaning in our lives, to look beyond the structures and focus on purpose. For instance are you pursuing a career because of ambition and material rewards or is it your true purpose and fully satisfying? Therefore it is not uncommon for the initial effects of Neptune to be confusion and disillusion, perhaps even a sense of loss. Gradually awareness emerges and you are able to see what is underlying the illusions and what you can gain by changing your course and embracing values that truly enhance your journey in life. Neptune helps you see the truth of any situation and therefore live your own truth. As Neptune travels through your 6th House you need to take care of your health, taking particular care with drugs of any description. The trouble is that your body is overly-sensitive during this time. You may even develop or discover allergies. You may also feel somewhat lethargic, overwhelmed by the demands of a busy life. A good balance of rest,

exercise and a healthy diet goes a long way towards helping you cope with the stress of a busy schedule. You may also benefit from seeking advice from alternative healers, or perhaps even exploring options for working as a healer or in a spiritual field.

Pluto in the 5th House

From 14 Dec 25

Pluto is the slowest moving planet in the Solar System, taking approximately 248 years to complete a circle around the Zodiac. This slow-moving planet's transits are long-lasting and initially pack a punch if you are not living according to your true natures. The more you are your authentic self, the more that you can embrace the positive side of Pluto. The author of the website Caf? Astrology puts it best when stating: "Pluto compels us to explore more deeply. Superficiality is not acceptable for Pluto. Pluto transits insist that we get in touch with our core purpose and our deep sense of power. New levels of intimacy, not only with others but also with ourselves, are discovered and uncovered." Currently you have a powerful need to express yourself creatively, and your energy would be best directed through a demanding and absorbing creative project. Children, either your own or other people's, may present a challenge. It is possible that you are seriously considering whether or not to have your own children.

Pluto Trine The North Node

From 02 Jan 26 13:59

The transit of the Moon is usually brief, ebbing and flowing like the tides of the ocean. If the Moon is active on any one day then you are likely to be more emotional. These days can be trigger points. If there are few Lunar influences then your day may be more uneventful. The effect of this combination depends on how many other transits of the Moon are occurring today. This is a day when truthful feelings come to the surface. The force of these feelings depends on other astrological influences. It is up to you whether or not the truth is embraced with compassion or not. It is possible that others may clash with you. Possibly you are the one initiating conflict because you want clarity in a certain situation. The result is likely to be that you accept the truth of your own emotions, express your sadness, anger, happiness or joy and the move forward in your life truthfully.
