CREATIVITY

Neptune in the 6th House

From 12 Jul 25

The planet Neptune takes approximately 164 years to circle the Zodiac. This slow-moving planet's transits unfold slowly. It is therefore more significant to look at any exact transits that are occurring in your Birth Chart. Nevertheless it can be helpful to try to understand the effect of Neptune as it enters into and transits through a House in your Birth Chart. Neptune is the planet that urges us to search for meaning in our lives, to look beyond the structures and focus on purpose. For instance are you pursuing a career because of ambition and material rewards or is it your true purpose and fully satisfying? Therefore it is not uncommon for the initial effects of Neptune to be confusion and disillusion, perhaps even a sense of loss. Gradually awareness emerges and you are able to see what is underlying the illusions and what you can gain by changing your course and embracing values that truly enhance your journey in life. Neptune helps you see the truth of any situation and therefore live your own truth. As Neptune travels through your 6th House you need to take care of your health, taking particular care with drugs of any description. The trouble is that your body is overly-sensitive during this time. You may even develop or discover allergies. You may also feel somewhat lethargic, overwhelmed by the demands of a busy life. A good balance of rest, exercise and a healthy diet goes a long way towards helping you cope with the stress of a busy schedule. You may also benefit from seeking advice from alternative healers, or perhaps even exploring options for working as a healer or in a spiritual field.

Neptune Semisquare The North Node

This may be the cause of frustration but you would do better to patiently attend to your duties.

Neptune Quincunx Mercury

You are likely to have difficulty focusing on anything at the moment. You may be mentally confused, a bit out of

sorts. Someone or something may have made a dent in your usual confident attitude to life. The best thing to do is to do nothing. Rest, relax and be kind to yourself. Listen to soothing music, take a walk by the lakeside, or meditate in a room of your own. Make sure that you surround yourself with uplifting people and pastimes.

CHALLENGES IN LIFE

Pluto in the 4th House

From 12 Jul 25

Pluto is the slowest moving planet in the Solar System, taking approximately 248 years to complete a circle around the Zodiac. This slow-moving planet's transits are long-lasting and initially pack a punch if you are not living according to your true natures. The more you are your authentic self, the more that you can embrace the positive side of Pluto. The author of the website Caf? Astrology puts it best when stating: "Pluto compels us to explore more deeply. Superficiality is not acceptable for Pluto. Pluto transits insist that we get in touch with our core purpose and our deep sense of power. New levels of intimacy, not only with others but also with ourselves, are discovered and uncovered." Currently you may feel that the foundations of your life - family and home - are changing and it is difficult to find a firm foothold. In effect the foundations of your life, which you believed to be sure, are cracking. This can be exciting if you enjoy the challenge of change, but most often it is a time which leaves you feeling vulnerable. The areas most affected by this transit are your home and family members. It is a time of intensity and upheaval on the homefront. Family members may leave home or come to stay disrupting the comfortable routine. It is also possible that you change homes during this transit. Whatever the circumstances you are being asked to delve into your personal life with a view to changing at a deep level. Pluto Trine The North Node

From 02 Jan 26 13:59

The transit of the Moon is usually brief, ebbing and flowing like the tides of the ocean. If the Moon is active on any one day then you are likely to be more emotional. These days can be trigger points. If there are few Lunar influences then your day may be more uneventful. The effect of this combination depends on how many other transits of the Moon are occurring today. This is a day when truthful feelings come to the surface. The force of these feelings depends on other astrological influences. It is up to you whether or not the truth is embraced with compassion or not. It is possible that others may clash with you. Possibly you are the one initiating conflict because you want clarity in a certain situation. The result is likely to be that you accept the truth of your own emotions, express your sadness, anger, happiness or joy and the move forward in your life truthfully.

Pluto Conjunction The North Node

From 17 Jan 26 16:46

There's an old saying that "when one door shuts, another one opens". This adage could become your motto as your life undergoes major changes during this phase. Whether you realize it or not, you have reached a turning point in your life. It is time to cast off the old and welcome the new. If you have been in a rut and searching for a way forward, then this phase is a welcome relief. Otherwise you may find it a little surprising. It helps if you can picture yourself moving forward to a more rewarding lifestyle. If you resist change then you could find this a challenging period. New friendships, associations, groups, business associates, projects and perhaps even a new marriage partner (if you are not already married) are likely to arrive during this phase. As a result you may be forced to reassess certain aspects of your life with the view to incorporating the new and saying "good-bye" to the old. In some cases you may literally be throwing out old possessions, renovating your house or moving your business. The key is to learn to discriminate the true motive of people and the truth of situations. As you learn to face the truth then you will clearly see which habits, projects and people to let go while retaining the gems in your life. You will also perceive which new habits, projects and people to incorporate into your life. Fate plays a strong role in your life at the moment. If you are not already married, then you may meet a potential spouse. This new union could be intense, quickly developing a familiarity and closeness. This can be a very rewarding period, as long as you are able to go with the flow. You feel invigorated by the change of pace in your life, delighted to be more purposeful and energetic.
